

2023 District 8 Softball Interleague – Local Rules, Policies and Procedures

Softball – Juniors Division

1. All regular season rules will apply as per the “Little League 2023 Softball Official Rulebook”, except as amended below.
2. All players league age 12, 13, and 14 are eligible for the Juniors division. League age 15 players may also participate with approval from the District Administrator.
3. The home team will occupy the third base dugout, and the visiting team will occupy the first base dugout.
4. At all times (On offense or on defense), there must be at least one adult present in the dugout. That adult must have cleared a Little League approved background check.
5. The entire player game roster shall be used as the batting order, regardless of defensive position. Players arriving after the game has started shall be placed in the batting order after the last player named in such batting order. “Free” substitution is allowed.
6. If playing on a non-fenced field, the home run line will be marked by cones (If available) a distance of 200 feet from home plate. A batted ball that passes over the coned home run line on the fly shall be a home run. A batted ball that touches a fielder’s glove, or any other part of said fielder, and passes over the coned home run line on the fly, without ever touching the ground prior to passing the cones, shall be a home run. A batted ball that passes the coned home run line after first touching the ground shall be a groundrule double, regardless of whether a fielder touched it or not.
7. A safety base (**the use of a Safety base is recommended if available and can be secured to the ground**) will be placed next to first base to reduce collisions and to give batters a better chance of running through first base on a ground ball to the infield. In general, the defense is entitled to the inside base, while the batter / runner is entitled to the outside flat, rubber base. Coaches should instruct their players to make plays to the inside base while playing defense, and to run through the outside base while running to first.
8. Each team must provide a scorekeeper who is not a manager or coach. The home team is considered the official scorekeeper. If the home team is unable to provide a scorekeeper who is not a manager or coach, then the visiting team can provide the official scorekeeper.
9. If District 8 umpires are not available, the home team is responsible for supplying the home plate umpire for the game. The visiting team is responsible for providing the field umpire for the game.
10. The game will be played using a 12” softball. The home team is responsible for providing two softballs to the umpire at the plate meeting.

2023 District 8 Softball Interleague – Local Rules, Policies and Procedures

11. No new inning can be started after 2 hours and 15 minutes. No new batter after 2 hours and 30 minutes. Games not completed after the 2 hour and 30 minute time limit will revert to the last completed inning (Ties are allowed). A time limit shall also apply to all doubleheaders. No new batter after 1 hour and 50 minutes in the first game, no new batter after 2 hours and 15 minutes in the second game. All times start from the scheduled start time.
12. A curfew shall apply to all games played Sunday through Thursday while school is in session. No new inning may begin after 8:30 pm, and no new batter after 8:45 pm. School is not considered to be “In session” during vacations and holidays.
13. The modified mandatory play rule of nine defensive outs is required for each player. Managers are encouraged to give all players their minimum playing time as soon as possible to ensure compliance in the event the game cannot be completed (Darkness, weather, time limit, etc). **It is expected that managers will offer fair playing time to everyone.**

If a Manager feels there is a serious concern for safety with a player in the infield then they need to address this before the game with the other manager and the umpire to request an exception for that one player. Managers are still encouraged to play in all positions as long as it can be done safely.

14. Managers and coaches should make every attempt to keep the game moving along at a good pace. Catchers should be identified in advance of their assigned inning, get geared up and be ready to play when their team takes the field (It should be noted that any player wearing a catcher’s mask can warm-up a pitcher). The umpire will remind managers of this requirement as needed. With two outs, a courtesy runner will be allowed to run the bases for a player assigned to pitch or catch in their next defensive inning. This courtesy runner shall be the last player put out by the opposing team.
15. For safety reasons, players are not allowed to hold a bat in the dugout / bench area. Practice swings are allowed in the on-deck circle and in the batter’s box only under the coach’s direction. Again, for safety reasons, it is recommended that the on-deck batter take position in the on-deck circle located on the same side as the batter that is at home plate.
16. After entering the batter’s box, the batter must remain in the box with at least one foot throughout the at bat. Exceptions are as follows:
 - On a swing, slap, or check swing
 - When forced out of the box by a pitch
 - When the batter attempts a drag bunt
 - When the catcher does not catch the pitched ball
 - When a play has been attempted 6) When time has been called
 - When the pitcher leaves the dirt area of the pitching mound, or takes a position more than five feet from the pitcher’s plate after receiving the ball, or the catcher leaves the catcher’s box
 - On a three ball count pitch that is a strike that the batter thinks is a ball

Penalty: If the batter leaves the batter’s box or delays play and none of the exceptions apply, the umpire shall warn the batter. After one warning on a batter, the umpire shall call a strike. Any

2023 District 8 Softball Interleague – Local Rules, Policies and Procedures

number of strikes can be called on each batter. No pitch has to be thrown, the ball is dead, and no runners may advance.

17. The entire game will be kid pitch from a distance of 43 feet between the front of the pitching rubber and the back corner of home plate.
18. Slug bunting – is allowed by rule from Little League. It can be recommended by the local leagues to not allow slug bunting but it cannot be made a rule or add penalties if it is done. Coaches prior to the game start should discuss slug bunting. If both coaches from the two teams agree to “no slug bunting” or “yes slug bunting” there should be no problem. During the game and slug bunting is used anyway, it can be done and there is no penalty. If prior to the game, one team wants it and the other team says no – the rulebook applies and slug bunting is allowed.
19. A game shall terminate and be declared final if after four innings (three-and-a-half if the home team is ahead) a team is ahead by 15 or more runs. A game shall also terminate and be declared final if after five innings (Four-and-a-half if the home team is ahead) a team is ahead by 10 runs or more. A game shall also terminate and be declared final if after 6 innings (five-and-a-half if the home team is ahead) a team is ahead by 8 runs or more.
20. An end-of-the-year “World Cup” style tournament will be held for all teams. Teams will be equally divided into pools, with the top two teams in each pool advancing to a single elimination playoff. Seeding for each tournament will be determined one month prior to the beginning of the tournament. The championship game between the City and Northend will be played at a site and date TBD.
