

2023 District 8 – Local Rules, Policies and Procedures for Interleague Play *Baseball – Intermediates Division*

All regular season rules will apply as per the “Little League 2023 Baseball Official Rulebook”, except as amended below. The first two sections below include rules that are consistent with the official rulebook.

COMMON RULES AMONG ALL DIVISIONS OF INTERLEAGUE BASEBALL:

1. **SUPERVISION:** At all times (on offense or on defense), there must be at least one adult present in the dugout. That adult must have cleared a Little League approved background check.
2. **DUGOUT ASSIGNMENTS:** The home team will occupy the third base dugout, and the visiting team will occupy the first base dugout.
3. **UMPIRING:** If District 8 umpires are not available, the home team is responsible for supplying the home plate umpire for the game. The visiting team is responsible for providing the field umpire for the game.
4. **SCOREKEEPING:** Each team must provide a scorekeeper who is not a manager or coach. The home team is considered the official scorekeeper. If the home team is unable to provide a scorekeeper who is not a manager or coach, then the visiting team can provide the official scorekeeper.
5. **BATTING LINEUP:** On offense, teams bat a Continuous Batting Order (CBO), meaning each player on the roster bats before any player bats a second time. Batting nine is not allowed, except in the Seniors Baseball division. Players arriving after the game has started shall be placed at the end of the lineup. “Free” substitution is allowed.
6. **HOME RUN BALLS:** When a batter hits a ball on the fly that passes over the outfield fence or a coned home run line, it is a home run. A batted ball that touches a fielder’s glove, or any other part of said fielder, and passes over the outfield fence or coned home run line on the fly, without ever touching the ground prior to passing the cones, is a home run. A batted ball that passes the coned home run line after first touching the ground is a ground-rule double, regardless of whether a fielder touched it or not.
7. **TIME EFFICIENCY:** Managers and coaches should make every attempt to keep the game moving along at a good pace. Catchers should be identified in advance of their assigned inning, get geared up, and be ready to play when their team takes the field. The umpire will remind managers of this requirement as needed. A courtesy runner (last out) is permitted for the catcher and/or pitcher of record when there are two outs. When batting nine players (Seniors BB division only), the courtesy runner cannot be in the lineup at the time. Note: Any player wearing a catcher’s mask or a coach may warm-up a pitcher during the regular season. **For tournament play, only a player with a catcher’s mask may serve this role.**
8. **REQUIRED ROSTER:** A team may start and play a game with 8 players. 8 players will bat and the 9th position will be skipped without penalty. The opposing team shall provide a defensive substitute (player who made the last out) when the team with 8 players is in the field. It is recommended that this defensive substitute play the corner outfield position closest to their own dugout.

2023 District 8 – Local Rules, Policies and Procedures for Interleague Play *Baseball – Intermediates Division*

OFFICIAL RULES SPECIFIC TO THE INTERMEDIATES BASEBALL DIVISION:

1. AGE ELIGIBILITY: All players league age 11, 12, and 13 are eligible for the Intermediates division.
2. BALL STANDARD: The game will be played using a Little League approved Senior Division baseball.
3. PITCHING DISTANCE: The entire game will be kid pitch from a distance of 50 feet between the front of the pitching rubber and the back corner of home plate.
4. HOME RUN DISTANCE: If playing on a non-fenced field, the home run line will be marked by cones (If available) at a distance of 250 feet from home plate.
5. BAT SAFETY: For safety reasons, players are not allowed to hold a bat in the dugout / bench area. Practice swings are allowed in the on-deck circle and in the batter's box only under the coach's direction. Again, for safety reasons, it is recommended that the on-deck batter take position in the on-deck circle located on the same side as the batter that is at home plate.
6. INNINGS FOR COMPLETE GAME: A complete game is defined as 7 innings.
7. BATTER BOX RULES: After entering the batter's box, the batter must remain in the box with at least one foot throughout the at bat. Exceptions are as follows:
 - a. On a swing, slap, or check swing.
 - b. When forced out of the box by a pitch.
 - c. When the batter attempts a drag bunt.
 - d. When the catcher does not catch the pitched ball.
 - e. When a play has been attempted.
 - f. When time has been called,
 - g. When the pitcher leaves the dirt area of the pitching mound, or takes a position more than five feet from the pitching rubber, or the catcher leaves the catcher's box.
 - h. On a three-ball count pitch that is a strike that the batter thinks is a ball.

Penalty: If the batter leaves the batter's box or delays play and none of the exceptions apply, the umpire shall warn the batter. After one warning on a batter, the umpire shall call a strike. Any number of strikes can be called on each batter. No pitch has to be thrown, the ball is dead, and no runners may advance.

2023 District 8 – Local Rules, Policies and Procedures for Interleague Play Baseball – Intermediates Division

LOCAL DISTRICT 8 RULES THAT MAY DIFFER FROM THE OFFICIAL RULEBOOK:

1. TIME LIMITS FOR GAMES: No new inning can be started after 2 hours and 15 minutes. No new batter after 2 hours and 30 minutes. Games not completed after the 2 hour and 30-minute time limit will revert to the last completed inning. Ties are allowed.
2. WEEKDAY CURFEW: A curfew shall apply to all games played Sunday through Thursday while school is in session. No new inning may begin after 9:15pm, and no new batter after 9:30 pm. School is not considered to be “in session” during vacations and holidays.
3. MINIMUM PLAY REQUIREMENTS: For a completed game, **the modified mandatory play rule is nine defensive outs (does not have to be consecutive)**. Managers are encouraged to give all players their minimum playing time as soon as possible to ensure compliance in the event the game cannot be completed (darkness, weather, time limit, etc). **Each manager is expected to offer fair playing time for everyone.**
4. PITCHING LIMITS: **A player may not throw more than 50 pitches in a game prior to May 1st. Starting May 1st, the maximum number of pitches varies by league age. See chart below.** If a pitcher reaches their maximum pitch count OR reaches a day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any of the following conditions occur:
 - a. Batter reaches base.
 - b. Batter is retired.
 - c. Third out is made to complete the half-inning.

The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during the first pitch in the at-bat, provided the pitcher is removed before delivering a pitch to another batter. For instance, a league age 12 pitcher that delivers pitch #49 as the first pitch to the final batter he/she faces is only required to observe 2 days of rest. If the game is on a Tuesday, this pitcher would be available to pitch again on Friday.

Additionally, any player that is the defensive catcher for more than three innings is not eligible to pitch that day.

This section is an attempt to summarize the pitch-limit requirements set forth in Regulation VI of the Little League 2023 Baseball Official Rulebook, while also adding in the local pitch limits before May 1st. Coaches must familiarize themselves with Regulation VI and this local rule, and to the extent there is any discrepancy between this local rule and Regulation VI, Regulation VI governs and controls except for the 50-pitch limit prior to May 1st.

5. POST-SEASON: An end-of-the-year “World Cup” style tournament will be held for all teams. Teams will be equally divided into pools, with the top two teams in each pool advancing to a single elimination playoff. Seeding for each tournament will be determined one month prior to the beginning of the tournament.
